

## Promotional Grocery Bags

Explore your creative side and market “going green” to others.

Horrock's has graciously donated their shopping bags to be utilized as an advertising medium for the Greener Delta event. Students are encouraged to decorate the bag with an environmental message of their choice. The bags are then returned to Horrock's with the artwork and a sticker containing the Greener Delta event details.

If you are interested in decorating bags, please notify Heather Pettinger via email at [hpettinger@deltami.gov](mailto:hpettinger@deltami.gov) or please complete the entry form below and submit your request by mail, hand-delivered or placed in the night deposit box:
